Ming Chuan University Department of Accounting (MS) Course Outline for all students entering in 2022

NOTE :

1. Credits of selected course taken from other departments for master or doctoral degree could be considered as graduation credits, only to the extent of 6 credits.
2. The elective courses in graduate program can be traced back to students entering before 2022 academic year.
3. The department of master's program must pass required courses and elective courses more than 43 credits, and pass all of the rules of the Graduate degree examination, before they can graduate.
4. According to general provisions for study of Ming Chuan University, graduate school students should meet the English proficiency requirement and comply with its enforcement rules in order to graduate.
5. Students should meet the requirements of Ming Chuan University Guidelines for Taking Academic Ethics Education Course prior applying for the Oral Examination for Thesis Plan.
